

Annual Appeal

Each year hundreds of alumni, friends, families and community members declare their dedication to Cox College by making unrestricted gifts to the Annual Fund Appeal. Collectively this support, from the first day of Spring Classes to the end of the year, is hard at work, meeting the ever-changing opportunities of the college and enriching the lives of every student that passes through our halls.

The key component of our Annual Appeal is the Phone-a-thon. Each fall, volunteer callers phone alumni, parents of students, Friends of the College, and more to ask for financial support for the Cox College Annual Appeal. However, we can only reach you if we have your number! If you haven't heard from us in a while, please send us your phone number and contact information. This will not only give you the opportunity to make a philanthropic gift during the Phone-a-thon, but will add you to our Friends of the College newsletter distributions and help us keep you updated on future events.

Because of your support, Cox College is able to:

- Offer scholarships, which help us enroll the best students, regardless of their financial situations and assist our current students through financial hardships;
- Provide the latest instructional technology to enhance the classroom experience for all our students and for increasing productivity of faculty;
- Retain outstanding faculty; and,
- Complete capital endeavors to improve the learning environment and more.
