Low Intensity

Newly active, prenatal, seniors, overweight, chronic disease and individuals with injury-related conditions.

Lifetime Aerobics - A 30-minute low impact floor aerobics workout. Cardio only, no weights.

Lifetime Strength— Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance, and a chair is used for seated and/or standing support.

Lifetime Stretching – A gentle 45-minute total body stretching class focusing on decreasing stiffness and increasing range of motion and flexibility by way of various stretching techniques and the use of exercise bands and tubing.

Meditation – Learn and practice the art of meditation, a common sense alternative to stress reduction.

P.A.C.E. (People with **A**rthritis **C**an **E**xercise) - This class is designed for those individuals with Arthritis. The class will implement range of motion exercises, education on arthritis, and some light cardiovascular training.

Beginning Ballroom Line Dancing— 45-minutes of ballroom dance styles taught in a line dancing format (no partner necessary).

Intro to GTS—Learn the basic in the power of the Gravity Training System.

Intro to Yoga—Learn the fundamentals of Yoga. Introduces poses and breathing patterns.

Low/Medium Intensity/Difficulty

These classes are taught to accommodate varying levels of fitness. Your instructor will show modifications to increase/decrease the work.

Ab Blast – 15 minutes of the best abdominal exercises to strengthen and tone your mid-section.

Abs & Back – 30 minutes of various abdominal exercises to strengthen and tone your mid-section and back exercises to help increase lower back stability and support.

Beginning Boot Camp—Outdoor runs, obstacle courses and calisthenics.

Introduction to Spinning—This class will introduce the basics of spinning to prepare you for the full hour spinning class.

Lifetime Fitness – A light 45-minute cardiovascular conditioning and muscle toning and strengthening class that also incorporates balance training with exercise tubing & bands, weights, and balls.

Cardio Circuit—Increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper body strength work with hand-held weights, elastic tubing, and a ball is alternated with non-impact aerobic choreography. A chair is offered for support, stretching, and relaxation exercises.

Step 'n Tone – The best of both—a total-body toning, total-cardiovascular workout that will keep you moving utilizing a Reebok platform and resistance equipment.

Total Body Sculpting – Upper and lower body toning and strengthening using hand-held weights.

Medium/High Intensity/Difficulty

These classes are taught to accommodate varying levels of fitness. Your instructor will show modifications to increase/decrease the work.

Boot Camp—Outdoor runs, obstacle courses and calisthenics. Be prepared to work...Marine Corps style.

Group Strength – A total body workout using weights, resistance tubing and bands, and other strengthening & toning exercises.

Group Strength Express—45-minutes of the group strength class (above) that you love!

Mix It Up – A fun, aerobic workout mixed with Step, Floor Aerobics, and toning exercises using resistance equipment.

RIP – Total body, muscle conditioning class utilizing high **REPETITION**, with low to medium weights. Alternate between large and small muscle groups to increase **INTENSITY** of each muscle group with **POWER** moves. Defines, tones and rebuilds all major muscle groups.

Cardio Kickbox—A challenging full body workout that incorporates kickboxing moves and bag work, along with cardio and strength circuits.
